HANCOCK'S LIQUID SULPHUR.

THE BEST BLOOD PURIFIER KNOWN—INVALUABLE AS A WASH.

Sulphur is nature's greatest germicide. Its value has been known for centuries, but it was never successfully produced as a liquid until the discovery of the method of making HANCOCK'S LIQUID SULPHUR.

It is the best blood purifier known. HANCOCK'S LIQUID SULPHUR will save doctors' bills and make clear, brilliant, complexion. Taken internally, it is invaluable in the spring. Used as a wash it kills germs, and cures and heals eczema, acne, itch, dandruff, prickly heat, diphtheria, catarrh, cuts, burns, sores, and all inflammations and sores. Ask your druggist for it, or write for booklet to Hancock Liquid Sulphur Co., Baltimore, Md.

J. J. W. Mitchell.

Whereas God in his wisdom has been pleased to remove from us by death my much beloved friend, J. J. W. Mitchell, son of the late A. H. Mitchell of Martin county. He was born in February, 1844 and died May 22, 1904, making his sojourn here 60 years, 3 months. He usually visited Lawrence Saturday evenings. On this Saturday he appeared as well as usual, although he complained of not feeling very well while in the town. While in conversation on the street he had an attack supposed to be paralysis which felled him to the ground. He did not speak any more but motioned for one of his sons who was close by and was carried to his home two miles away. But in spite of all the doctor, a loving wife and children could do, he grew worse, until on Sunday morning about two o'clock when his mortal life ended.

The county had no worthier citizen than J. J. W. Mitchell—honest, kind, sincere, hospitable. He was a good husband and father, and a good neighbor, and was loved and respected by all who knew him. His home was always open to the friend and the stranger. It was my privilege to know him for thirty years and I am sure I never knew a better man. He went through the civil war and came out unharmed.

He leaves a widow, three daughters and four sons, besides sisters and brothers, to mourn their loss which is his eternal gain. May the Heavenly Father give them grace to bow submissively to his will and may his peace sustain the family and relatives that they may be prepared to meet their loved one gone before, where sorrow, pain and parting shall be no more. The funeral services were conducted by Elder F. Staten and his remains were laid to rest in the family burying ground at Lawrence church.

A MAMMOTH APPLE DUMPLING.

Mr. Peter E. Smith gives account of a great occasion in Scotland Neck which dates back sixty years. This is longer than the memory of most men run; but Mr. Smith's days have been unusually lengthened and many interesting things can be recited of the long ago.

He relates the apple dumpling story as follows: In 1840 William Henry Harrison was elected President. In a part of Halifax county not far from Ringwood there was a voting precinct called "Dumpling Town." In that precinct in the year 1840 there were just 114 voters and the entire vote was cast for Harrison.

Scotland Neck wishing to show special appreciation of the unanimous vote in "Dumpling Town" precinct set a day on which to honor the voters of that precinct, invited them down and sent wagons for them and brought many down under the escort of a band of music. A large crowd came together to celebrate the day, and the place of festivities was in Mr. James Baker's grove, now known as Mrs. Ferrell's grove. Two days and a night were consumed in preparing the bill of fare.

THE HUGE DUMPLING.

It consisted of a mammoth apple dumpling weighing 114 pounds to correspond to 114 votes cast for Harrison at "Dumpling Town." The dumpling was prepared and cooked under the supervision of Mrs. James Baker. It was placed in a large sack, lifted under a tripod with rope and tackle and lowered into a large hog kettle and cooked two days and a night. When it was well done it was lowered into a large tray and around it were 114 apple dumplings of ordinary size, and the great crowd invited to partake of the unique dinner. A barrel of good molasses was used for sauce, and Mr. Smith says he distinctly remembers the scene as the hungry crowd ate the apple dumpling sauced with molasses.

Hall-Hill.

On the morning of June 28th at St. Mark's church in Halifax there was celebrated one of the most beautiful marriages which this historic town has ever witnessed—that of Miss Winifred Blount Hill to Mr. Edward Wood Hall, of Scotland Neck.

To the strains of Mendelssohn's wedding march, rendered by Mrs. Thomas W. Fenner, preceded by the ushers, Messrs. A. B. Hill, S. H. Hill, W. L. L. Hall and J. B. Hall, the bride entered accompanied by her maid of honor, Miss Eliza Hall Hill, and was met at the altar by the groom with his best man, Mr. Archibald Stuart Hall. The marriage ceremony was performed by the Rev. L. H. Shubert.

The bride is the beautiful and accomplished daughter of Judge Thomas N. Hill, of Halifax, and is well known throughout the State. The groom is the son of Dr. J. B. Hall, of Scotland Neck, and is the most popular social leader of this place.

Immediately after the ceremony the bride and groom left for an extended trip to Washington and Northern cities. They will be at home after June 15th at their beautiful country place, "Spring Hill," near Scotland Neck.

A most delightful reception was given at the home of the bride the night before the wedding. Among the out of town guests were:

Mrs. W. D. Pruden and Miss Carrie W. Coke, of Edenton, Mr. and Mrs. J. G. Gooch, of Weldon; Miss Nannie Hill, of Richmond, Va.; Mrs. W. D. Shields and Mrs. W. R. Bond, of Scotland Neck; Mr. and Mrs. J. H. Durham, of Tillery; Misses Elizabeth Smith, Elizabeth Hyman, Rebe and Nannie Shield, Bettie Hill, Mess. Haywood Hayman, Chas. H. Herring, F. N. Hill, Edward Dunn, of Scotland Neck, and Frank Gatling, of Tarboro.

The following persons went from Scotland Neck to Halifax Monday to attend the marriage:

Mrs. W. R. Bond, Miss Carrie Coke, of Edenton, Miss Lizzie Hyman, Miss Lizzie Smith, Miss Bettie Hill, Miss Rebe Shields, Mess. W. L. L. Hall, Stuart Hall, James B. Hall, Charlie Herring, Haywood Hyman and Prof. A. B. Hill.

Mr. Dunn's Impressions.

Mr. W. A. Dunn attended the State Bar Association at Charlotte last week and was greatly impressed with that part of the State. He says when we read of a dozen or more cotton factories in and around a town in that part of the State, we do not think much about it; but when one looks upon them and observes their work and worth to a town and community, it makes quite an impression. He was delighted with Charlotte and the Bar Association. He has pleasant things to say about our friend, Mr. W. C. Dowd, of the Charlotte News, who took Mr. Dunn out a dozen miles or so on his automobile.

Virginia College.

Located in the famous valley of Virginia, at Roanoke, is Virginia College for Young Ladies. This college represents the highest development of a school for girls. Its reputation is national, students being registered from thirty States. New buildings have recently been erected, containing steam heat, electric light and bath and toilet rooms on every floor. A spacious and beautiful campus of ten acres surrounds the college. The faculty is composed of twenty-five European and American teachers. There are also special conservatory advantages in music, art and elocution. Pupils have access to a well equipped library and reading room, where the best literature, periodicals and daily papers are always on file. The healthfulness of the climate in connection with the superior educational advantages makes this college one of the foremost educational institutions in the country.

Sunday-School Entertainment.

The Methodist Sunday-school gave an ice cream entertainment at the Methodist parsonage Thursday evening, June 23d, from 7 to 10 o'clock. Cream and cake were served in abundance and it was a pleasant occasion for all who attended.

Heat, Aids Digestion, Regulates the
Bowels, and makes Teething Easy.
Costs 25 cents at Druggists.

Children's Entertainment.

A number of little girls of the town, assisted by some boys, gave an entertainment in Pittman Hall Tuesday night. The admission fee was 10 cents for children and 15 cents for adults. It was a nice little entertainment and did credit to the little girls who gave it. They realized \$12.75 and donated it to the Sunbeam Society of the Baptist church.

Death of Mr. Harvey Wall.

Quite a number of people of the town remember Mr. Harvey Wall, a young man who worked with Mr. G. W. Bryan in the telegraph office here a few years ago. The sad news comes that he died at Clayton June 15th, aged nearly twenty-four years. He was a most exemplary young man, good and true, loved and esteemed by all who knew him.

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.

FOR A HUNDRED YEARS.

For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co., of Chicago, to discover how to combine the virtues of Witch Hazel with other antiseptics, in the form of a salve. DeWitt's Witch Hazel Salve is the best salve in the world for sores, cuts, burns, bruises and piles. The high standing of this salve has given rise to counterfeits, and the public is advised to look out for the name "DeWitt" on the package, and accept no other. Sold by E. T. Whitehead & Co.
